

Weekly Energy News, October 18, 2012

Compiled by the Region 8 Librarians, ASRC Primus contractors

Note: Many newspapers are beginning to adopt subscription policies to govern access to their online editions. In some cases, this involves the creation of a free user account; in others, paid subscription is necessary to view more than a set number of articles (usually 20) per month. If you have difficulty accessing the news articles you need, please contact the library (library-reg8@epa.gov) for assistance.

Letter: Commissioners right to support gas industry

<http://www.postindependent.com/article/20121013/VALLEYNEWS/121019954/1021&p=arentprofile=1077>

Gas pipeline project could spark new Fort Collins trail

<http://www.coloradoan.com/article/20121013/NEWS01/310140009/Gas-pipeline-project-could-spark-new-Fort-Collins-trail>

Renewables cannot meet energy demand

<http://www.coloradoan.com/article/20121012/OPINION03/310120056/Renewables-cannot-meet-energy-demand>

Opinion: What losing Corette coal plant means for Montana
